

EXPERIENCE CERTIFICATION

Date: August 18, 2025

TO WHOM IT MAY CONCERN

This is to certify that **BARA RAJAB RASMI HASHLAMON** is currently working with Orienteed as WordPress Developer since November 26, 2024.

During their time with us, Bara has demonstrated exceptional skills and dedication in WordPress development projects. Their key responsibilities included:

- Developing, customizing, and maintaining WordPress websites.
- Implementing themes, plugins, and custom features as per project requirements.
- Ensuring website performance, security, and responsive design.
- Collaborating with the design and content teams to deliver high-quality web solutions.

This certificate is issued at the request of Bara for whatever purpose this might serve and without any liability on the company. We wish him continued success in their future endeavors.

Thank you.
Sincerely,

Fathi Hindi.
